- All Pro plan features.
- Unlimited storage.
- Dedicated Account Manager.
- SSO / SAML authentication.
- Custom API rate limits.
- 99.9% uptime SLA.

Target Audience: Larger organizations requiring security audits and high performance SLAs.

Pricing Add-ons and Billing Cycles Details

Extra Workspace Storage Add-on

If your team exceeds the storage limit allocated in your subscription plan, you can purchase additional storage blocks. Storage is sold in increments of 50 GB for \$5 per month. Navigate to Billing > Add-ons to upgrade storage limits immediately.

Workspace Guest Pass Policies

Basic plans do not support external guest invites. Pro plan users can invite up to 5 read-only guest viewers for free. Enterprise plans allow unlimited read-only guest passes under custom safety conditions. Guests with write permissions are billed as full active seats.
